#### LEGISLATIVE COUNSEL'S DIGEST

AB 1858, Hollingsworth. County Sexual Assault Felony Enforcement Team Program.

Existing law provides for the development of a course of training for district attorneys in the investigation and prosecution of sexual assault cases in order to encourage the establishment of sex crime prosecution units in district attorneys' offices throughout the state. Existing law further provides for a statewide sexual habitual offender program in order to identify, locate, apprehend, and prosecute sexual habitual offenders.

This bill would provide, in addition, that any county may establish and implement a sexual assault felony enforcement (SAFE) team program. The members of the team would be specified federal, state, and local law enforcement officers and agents. The objectives of the program would be to: (1) identify, monitor, arrest, and assist in the prosecution of habitual sexual offenders who violate the terms and conditions of their probation or parole, who fail to comply with registration requirements, or who commit new sexual assault offenses; (2) collect data to determine if the proactive law enforcement procedures adopted by the program are effective in reducing violent sexual assault offenses; and (3) develop procedures for operating a multijurisdictional regional task force.

*The people of the State of California do enact as follows:*

SECTION 1. The Legislature hereby finds and declares the following:

(a) Habitual sexual assault offenders pose a significant risk to the welfare and safety of the residents of California.

(b) Predatory sex offenders frequently travel to areas outside of the jurisdictions where they reside to evade surveillance and possible arrest by local law enforcement agencies for probation or parole violations.

(c) Therefore, the Legislature encourages the formation of regional law enforcement task forces consisting of officers and agents from

several law enforcement agencies organized for the explicit purpose of reducing violent sexual assaults through proactive surveillance and arrests of habitual sexual offenders.

SEC. 2. Chapter 9.7 (commencing with Section 13887) is added to Title 6 of Part 4 of the Penal Code, to read:
